Announcement for 9th International Conference on Clinical Chemistry and Laboratory Medicine

Energy Research Institute (ERI), United Kingdom, E-mail: abdeenomer2@yahoo.co.uk

9th International Conference on Clinical Chemistry and Laboratory Medicine - Journal of Biochemistry & Biotechnology

Followed by the Successful Completion of the Chemistry 2019 the 8th edition, we are hosting its next edition “**9th International Conference on Clinical Chemistry and Laboratory Medicine in Amsterdam, Netherlands on March 25-26, 2020.**”

The theme focused for the Clinical Chemistry 2020 is – *Investigating the Emerging Trends in the Realm of Clinical Chemistry and Laboratory Medicine*

Having you all with us for our [Clinical Chemistry 2020](#) is a matter of great joy and excitement. We look forward to you all sharing your incredible knowledge, Innovations, research ideas and to make a sprinkle with new enhancements at this 2-days event.

This time we have introduced some new highlights for our Clinical Chemistry 2020

Clinical Chemistry, Drug Discovery, Forensic & Clinical Chemistry, Biochemistry & Chemical Biology, clinical genomics, Neuroscience and Neurochemistry, Organic and Bio-organic Chemistry, clinical microbiology, Physical & Theoretical Chemistry, Mass Spectroscopy & Chromatography, Nanoscience & Material Chemistry, Analytical & Bio analytical Chemistry, Environmental & Green Chemistry, Food & Agricultural Chemistry, Oil & Petroleum Chemistry, Nuclear & Polymer Chemistry, Electro Chemistry, Marine & Geo Chemistry, Computational Chemistry and Chemical Engineering etc.

[Amsterdam Congress](#) 2020 aims to bring all the Chemistry professionals under Department of Chemistry, for our [Clinical 2020](#) to interact and share their knowledge and their newest research to the entire Chemistry Community.

Also, this time, Our Amsterdam Chemistry Conference will be focus destination for the International Chemistry Research Societies, Associations, and Organizations. This event will bring together Chemists, Druggists, Pharmacists, Laboratory Technicians, Directors, Professors, Students from academia and researchers in the field of Chemistry and healthcare, Government officials and global leaders to push forward the Chemistry and Research.

2020 [Chemistry Event](#) is expecting more than 200+ Participants to enlighten the program.

This time the Netherlands [Clinical Medicine Conference](#) will organize several Oral and Poster Presentations/Networking Sessions/Workshops/Symposiums/Exhibition as we have introduced several new tracks to bring in more participants.

Accepted abstracts will be published in Conference Proceedings and in Allied Academies journals which will be provided with Digital object identifier by Cross Ref.

The Supporting Journals for Chemistry 2020 are:

Journal of Pharmaceutical Chemistry & Chemical Science

Journal of Biochemistry and Biotechnology

Journal of Clinical and Bioanalytical Chemistry

We welcome all the Chemistry Professionals, Delegates, Young Researchers, Students and Entrepreneurs from Universities/Institutes/Industries to make your beautiful presence in Italy by February 28-29, 2020.

Grab the Opportunity to be part of a [Clinical Medicine 2020](#) in Rome, Italy in which it is one of the most amazing countries in the world.

For any Queries, contact Felis Marcus at (44) 203 769 1755 or email us at clinicalchemistry@alliedforums.org

For more information about the event, kindly visit our website:
<http://clinicalchemistry.alliedacademies.com/>

We are looking forward for the Chemistry 2020 to be successful just as the Clinical Chemistry 2019!

Waiting to see you in the city of Amsterdam, Netherlands!!

Sarah Christine
